PROFESSIONAL SUMMARY

Enthusiastic Computer Science Engineering student (B.Tech, 2025) with strong skills in front-end and full-stack web development. Experienced in building projects using HTML, CSS, JavaScript, Node.js, Express.js, and Bootstrap. Adept at using Git/GitHub for version control, following Agile methodologies, and solving problems through debugging and optimization. Certified in AWS Machine Learning and Computer Networking, with hands-on practice in UI/UX, VFX, and 3D design tools (Blender). Quick learner, eager to apply skills in real-world applications and contribute to innovative technology solutions.

INTERNSHIP EXPERIENCE

Full Stack Development Intern, *Internsforge*   Present
- Developed backend APIs with Node.js and Express.js for dynamic web applications.
- Designed responsive UI/UX interfaces using Bootstrap and JavaScript.
- Implemented game development features with JavaScript for interactive modules.
- Gained practical experience in Git/GitHub version control and Agile teamwork.

EDUCATION

B.Tech - Computer Science & Engineering,   2025
Vellore Institute of Technology, Bhopal, MP
CGPA: 7.42 | Expected 2025

Higher Secondary (Science), *Sardana International School, Dewas, MP*   2021
85.2% | 2021

Matriculation, *TATA DAV Public School, Sonadih, Chhattisgarh*   2019
74% | 2019
